

New Navigation:

As you enter into the site nss.maharashtra.gov.in the following screen appears:

Maharashtra ICDS MIS-GIS
For policy makers, implementers of Integrated Child Development Services (ICDS) Govt. of Maharashtra
powered by WhizMap®

An interactive Geographic Information System (GIS) to view and analyze Anganwadi Centre (AWC) level ICDS program implementation data.

Data interpretation and analysis helps in effective monitoring of process and its outcome.

The system provides:

- data collation for all upper tiers
- reports on various indicators
- trend analysis of nutritional status
